

Łukasz Zakrzewski has 13 years of experience in the financial operations.

Currently, he is a member of the Management Board and Chief Financial Officer of Ruukki Polska Sp. z o.o., where he is responsible for financial results and all financial issues of the company in Poland. At the same time, he supervises the profit and loss account, monitors cash flow in subordinate units and manages a team of controllers responsible for four different business segments.

Before joining the team of Ruukki Polska, Łukasz Zakrzewski worked for Solaris Bus & Coach SA, where he participated in the budgeting process and supported managers of various departments in their budgeting operations. As the Financial Controller, he analysed the level of costs in different areas of the company.

Before his work for Solaris Bus & Coach S.A. he implemented and improved SOX-based internal control procedures for Lincoln Electric Bester S.A. His tasks included budgeting and working in international auditing and restructuring teams.

In the years 2004-2007, he streamlined business processes in terms of their efficiency and costs for two manufacturing companies of Steinhoff Group.

Currently, he is in the process of obtaining ACCA qualifications (7 exams passed out of 14).

He received an award for the best exam result in Poland.

Łukasz Zakrzewski graduated from the Faculty of Management at the University of Economics in Poznań.
