Title: Correction of a component of a separate annual report of Solar Company S.A. for the fiscal year 2015

Report content:

The Management Board of Solar Company S.A. ("Company") hereby publishes information about the correction of a component of the separate report for the fiscal year 2015 published on 21 March 2016. The corrected component is the Opinion and Report of an independent Auditor.

Following the publication of the separate annual report for the fiscal year 2015, the Company received today a corrected Opinion and Report of an independent Auditor.

The correction refers to the paragraph of the Opinion "Explanations supplementing the Opinion."

The reason for the correction determined by an independent Auditor is an obvious typographical error.

Supplementing a component of the separate annual report for the fiscal year 2015 does not provide any new data on the results achieved by the Company.
